# ADMINISTRATION AND FACULTY

## SUPERINTENDENT'S MESSAGE

Today's high school offers an enriched course of study presented with the aid of modern teaching devices. One essential element of education, however, is unchanging—the student's own determination to succeed.

To the Class of 1963, congratulations on your graduation from W.F. West High School! Whether you go on to further schooling or to accept employment, you will be building upon the training which you have just completed. I sincerely hope that this training has developed in you good work habits and worthy ambitions. New experiences will surely bring new problems. Face these with confident belief that for each one there is a solution and with the understanding that in working courageously toward a wise solution, you will attain your full growth.

Chester V. Rhodes

## GREETINGS

Study diligently and be prepared to meet the challenge of 1982 A.D. Then you will be able to accept the advisory positions for directing and leading the youth of your day that they may successfully meet the conditions prevelant in 2002 A.D. Then the entire universe will be our world and will lay a demanding claim on the resources of our growth. How are you conditioning yourself **now** to meet this challenge?

Through youth, progress can be made and only if each succeeding generation is capable of improving that which they have inherited, ad infinitum.

L. R. Mitten

# BOARD OF EDUCATION

Setting the educational policy for the Chehalis schools is the local Board of Education. They meet monthly to discuss items of the budget, employment of personnel, problems of management and the many other decisions their job entails. They are dedicated members of our community, giving unselfishly of their time and knowledge to further the cause of education.

# SECRETARIES

Our versatile secretaries are busy handling the many details behind the school scene; they are the liaison between faculty and superintendent. We acknowledge with appreciation the fine job they do.

Besides the supervision of over seven hundred and fifty daily lunches served in the four lunchrooms of our school district, the supervisor directs the planning and serving of many dinners for community as well as school activities.

# MATHEMATICS

There is a great demand for well trained mathematicians in the world today. Applied mathematics is pertinent to our daily living; abstract mathematics helps develop the principles and practices of logical thinking. This year's curriculum includes general math, elementary algebra, plane geometry, advanced algebra, calculus and trigonometry. Students in calculus and trigonometry profit much from the individual attention they receive in these smaller classes.

MARCUS BOETTCHER
Biology, Chemistry

# SCIENCE

The scientists of tomorrow are being moulded in today's classrooms. The science classes of W.F. West vary in size and complexity: from one class in general science to six classes in biology and from sixty chemistry students to sixteen physics students. They are fortunate to work in well equipped laboratories because labwork is an integral part of science.

# LANGUAGES

For the first time in a number of years French has been added to the curriculum. First year Latin, second year Spanish, and up to the third year of German are also offered. The third year German class is elective. Supplementing the classwork is the exchange of tape recordings, pictures and the acquiring of pen pals from a German school. The knowledge of a foreign language is an important tool in world relations. Through the study of a language the culture of a country is understood.

# ENGLISH

Realizing the need to develop skill in writing the English classes emphasize composition. English incorporates reading speed and comprehension, speech, vocabulary, analogy and grammatical principles. Authors of varied backgrounds with their works are studied. An elective course in creative writing is offered for the first time. It is apparent that the upgrading of English will better prepare students for its use and appreciation.

# COUNSELING

Counselors always prove to be a vital element of W.F. West. In addition to general counseling to students, Mrs. Wedin is Girls' League advisor and Mr. Shively is Boys' Club advisor. As the school's college counselor Mrs. Wedin is invaluable to questioning seniors. Mrs. Wedin also administers the Scholastic Aptitude tests, Preliminary Scholastic Aptitude tests, and the National Merit Scholarship tests. This year's spelling tournament hosted by W.F. West was organized and directed by Mr. Shively. Mr. Shively also teaches one freshman and one sophomore English class.

# HISTORY

The study of history throws light on current events. Students learn to interpret today's events in the light of the past. History courses are made stimulating by films, reports and speeches. Comparison with other nations makes us appreciate our rights and privileges as citizens of the United States.

# ART

Art appreciation is developed through experience. It can be intellectually stimulating because it explores new areas, Through appreciation of art one develops his perception. This year the students study various phases of art: design principles, fine arts, craft, advertising, industrial design and community art. In addition to the established art courses, a course in music-art appreciation is offered this year.

# MUSIC

Both vocal and instrumental music are taught at the high school. In addition to the concert band which also plays at our athletic events, there is a pep band. It livened our assemblies and played at intermission of the Senior Ball. Furthering an interest in choral work has been the formation of several small choruses. These additional groups create pleasure for the participants as well as their audience.

# HOME ECONOMICS BUSINESS

Homemaking incorporates more than the skills of sewing and cooking. It endeavors to teach much about home life; to live happily in a family, to understand and enjoy children, to adapt to changing world conditions, to use resources wisely. A girl is better prepared for her role in society by developing vocational interests.

W.F. West offers a variety of courses designed to prepare future business leaders with the necessary skills. The curriculum includes typing, shorthand, bookkeeping and business machines. Through constant practice they seek to improve these skills; — the goal — a position in the business world.

# VOCATIONAL SHOP

In wood or metal shop the student learns the use of various tools and techniques and applies them to the construction of challenging projects. Drawing the blueprint for each project and choosing the material to be used is demanded in the course.

Vocational agriculture introduces the future farmer to the modern theories of agriculture with their practical application. Students are made aware of the importance of this basic industry to the economy of the world.

Hurried students received their lunches at 11.45.

W. F. West is fortunate in having a most efficient kitchen crew who prepare and serve our tasty lunches. Their constant concern for pupil welfare and cheerful catering to the students they serve is appreciated by all.

# CUSTODIANS

The janitorial staff of W. F. West keeps our building warm, clean and livable—giving us a pleasant atmosphere in which to work. Their diligent effort contributes much to the appearance and comfort of our school plant.

The main object of the Student Council is to represent the student body and act as a mediator between the student body organizations and the faculty for the promotion of the business, athletics, and other interests of W. F. West High School. It is the Student Council's duty as the legislative department of the student body to make and enforce rules related to student activities.

The Student Council is composed of all the student body officers, the presidents of the classes, the president of the school clubs, editors of the Chehalin, Crimson and Gray, and CHSOTA, and the secretaries and vice-presidents of the Freshman and Sophomore classes.

One of the first jobs of the Student Council was to plan for the Freshman "Welcome" party. It was also host for the Southwest Washington Fall Leadership Conference. The Student Council worked on the magazine drive, using the money gained from it to improve the baseball field, to provide uniforms for the newly-created Swing Chorus and band, and to complete the new trophy case.

Members of the Chehalin staff appreciate the patience and cooperation of the faculty and student body during the assembling of this annual. Publishing an annual is not an easy task. Deadlines and procuring advertising presents many problems. The salesmen who worked so hard selling deserve special commendation. And to our loyal community supporters we say a very special "thank you". We have tried to produce the best possible yearbook for W. F. West students. We hope you enjoy it, now and in the years to come.

# CRIMSON AND GRAY

Each month the students of W. F. West High School eagerly await the distribution of the school paper, Crimson and Gray. This year Kathy Pemerl, assistant editor, took over the many duties of publication while Jack Rhodes, the editor, was in Germany as an American Field Service Representative. Kathy and her hard-working staff can be highly praised for a job well done. Seven representatives of the Crimson and Gray staff attended the Pacific Slope Press Conference at the University of Washington in February. # CHEHALIS CHAPTER, NATIONAL HONOR SOCIETY

The Chehalis Chapter of the National Honor Society recognizes students who are outstanding in scholarship, service, character, and leadership. Students become members of the National Honor Society upon recommendation of a faculty committee who weigh all requirements of membership carefully. Students are not eligible for consideration until the end of their Sophomore year. The membership is limited to ten per cent of the enrollment of the three upper classes. This year there are forty-one members. Meetings are held each month of the school year to conduct business and to present interesting programs. Annual events are the Christmas party, and the Spring Banquet. Mr. William Stefon, world traveler and a well known figure locally, was a special guest at this year's banquet and showed slides of his climb of the Matterhorn.

# GIRLS' LEAGUE

CARLA LOFBERG
President

Talent?????

The aim of Girls' League, the organization to which every girl belongs, is to develop character of the high school girl by attending the meetings, participating in the club activities, and observing the ideals set forth in the Girls' League Creed.

The Creed states:

I believe
As a high school girl I should be
Joyous, courageous, and courteous,
Truthful, considerate, and just,
Loyal and sincere in friendship,
Too noble to speak ill of others,
Willing to forgive and forget,
Prompt and gracious in obedience,
Ready to do all possible service,
Quick to appreciate what is done for me,
True to the best that is within me,
That I may become a fine and worthy woman.

Senior girls at every meeting delivered speeches on the lines of the Creed.

In addition to guest speakers at the meetings, highlights of the year's calendar were the fall mixer entitled "Yipes, Stripes!", a talent show, a program of skits and music presented to the Boys' Club, and a dinner given by the W. F. West Girls' League Cabinet for the Centralia cabinet. The event enjoyed and remembered by all was the tolo, "Rues de Paris" with music by the 16- piece "Sophisticats." Included in the last meeting was the naming of the Creed Girls followed by an impressive installation.

"Harvey", by Mary Chase, winner of the Pulitzer Prize, and one of the longest run plays in the American theatre, is a comedy about a lovable alcoholic, Elwood P. Dowd, who is friends with a large white rabbit named Harvey. He and Harvey spend all their time meeting people and helping them solve their problems.

The trouble begins when Veta, Elwood's sister, wants him committed. A mistake is made, and Veta is taken to the sanitarium instead. When the doctors finally catch Elwood, even the head psychologist is beginning to see the invisible rabbit. The actions are resolved when Veta realizes that Elwood will no longer be his friendly self after therapy and decides to let him keep his friend.

One could never hope to enumerate all that has occurred during the four years of our high school education. The student body increased from 450 students in 1959 to almost 600 in 1963. During this time we were happy to produce the 1960 State Championship Basketball Team and the 1961 mythical Class "A" State Football Champions. We witnessed the building and dedication of a combination football and track field and stadium, the construction of four tennis courts and installation of the backstop for the baseball field.

The addition of such courses as calculus, creative writing, music-art appreciation and French has enriched the curriculum of electives, and our receiving and sending of exchange students from Iceland and to Germany, respectively, have been noteworthy in our progress.

Great advances have taken place in the world of science since the first satellite was put into space in 1958, and in 1962 both the United States and Russia put men into orbit. The cold war and the struggles for racial equalities and self-government are still being waged and as we establish ourselves as citizens, may involve many of our classmates in incidents similar to Berlin, Quemoy, Cuba, India and Viet-Nam.

We entered high school in 1959 and Bill Pemerl was elected president. Richard Baginski was the Sophomore president. Bill Pemerl was chosen as president again in the Junior year and we sponsored the formal "42nd and Broadway". "Cour du Lion" was the theme of the formal we gave the fall of our Senior year. The Senior play financed the annual spring picnic. We ended with a milestone in our lives—Graduation and its responsibilities. David Thummel was president during this eventful year.

What has our high school education done for us? These few years have been hard, even frustrating times. They have given us our first maturity. We now realize that this is our country—our world. We hope we shall live well in it.

# Cour du Lion

Shields and banners decorate the ceiling.

Le Cour du Lion came to life Saturday, November 3, when our multi-purpose room was magically changed to a Medieval Castle. The stone walls were covered with shields, gayly colored heraldry banners hung from the ceiling timbers, and wooden tables lined the sides of the room. A red and gold throne, a carved balcony, and the appearance of the Cold Knights made this Senior Ball a dance to remember.

During the dance a knight sat in this throne.

S. Teitzel and M. Allender prepare table decorations.

J. Henricksen and J. Spady repair the sound installations for the hi-fi tape.

This beautiful banner and balcony delighted all who attended.

The Cold Knights entertained during intermission. Members are M. Rasmusson, drums; J. Henricksen, piano and J. White, trumpet.

# SENIOR PERSONAGES

Selected "Most Likely to Succeed" were Carla Lofberg and Bob Lintott. Carla served as Girls' League president, Sophomore class secretary and was a member of the Honor Society. She was also the recipient of the DAR Good Citizen Award. Bob was Junior class vice-president and a member of Honor Society. This past year Bob was president of the Washington-Northern Idaho United Christian Youth Movement.

"All Around" honors went to Claire Wilcox and Richard Baginski, Claire served as student body secretary and Freshman class secretary. She too, was a member of Honor Society. Richard was Sophomore class president, Crimson and Gray sports editor and the treasurer of Honor Society.

Carole Schwedler and Stan Jendryka won the "Best Looking" titles. Carole was elected song queen after being on the staff one year. She was also an entrant in the Miss Lewis County contest. Stan an active member of FFA served as their reporter. He was a letterman in both wrestling and football.

Robert Lintott, Carla Lofberg

Claire Wilcox, Richard Baginski

Stanley Jendryka, Carole Schwedler

William Pemerl, Dorothy Miller

Chosen "most athletic" were Dorothy Miller and Bill Pemerl. Dorothy received twice the GAA Good Sportsmanship trophy and was leading singles tennis player on the girls' team. She was the editor of the Chehalin for two years. Bill served as president of his Freshman and Junior class and of Boys' Club. He received the Most Valuable Player award in football his senior year.

Karen Fischer and Jeff White were selected for the "Most Artistic" honors. Karen's soprano voice was enjoyed on CHSOTA and in assemblies. She is responsible for the sketches on the end pages of the Chehalin. Jeff, known as an accomplished trumpeter, was president of the Band.

"Most Friendly" honors were given to Marmee Anderson and Bob Scott. Marmee, a three year member of the yell staff, was twice chosen its queen. She was secretary of Honor Society her Senior year. Bob, noted for his wry smile, was Junior class sergeant-at-arms, Senior class vice-president and "C" Club vice-president.

Jeff White, Karen Fischer

Robert Scott, Marmee Anderson

Mrs. Warren ..... Lois Evers
Professor Warren ..... John Dugaw
Mrs. Oakes ..... Linda Cook
Constable ..... Dave Olson
Nurse Barker ..... Sandra Falls
Stephen Rice ..... Ron Hansen

Director ..... Mr. Don Duncan

An old Victorian mansion sets the mood for this fast moving murder mystery. A ruthless killer has been murdering helpless girls. Helen the mute companion of a crippled self-centered old woman, is the center of mounting tension. The fear of someone murdering young innocent Helen breaks in the last moments of the play when she is left alone with the killer.

Jack takes a look at Cologne.

The youth hostel where American students stay during language camp.

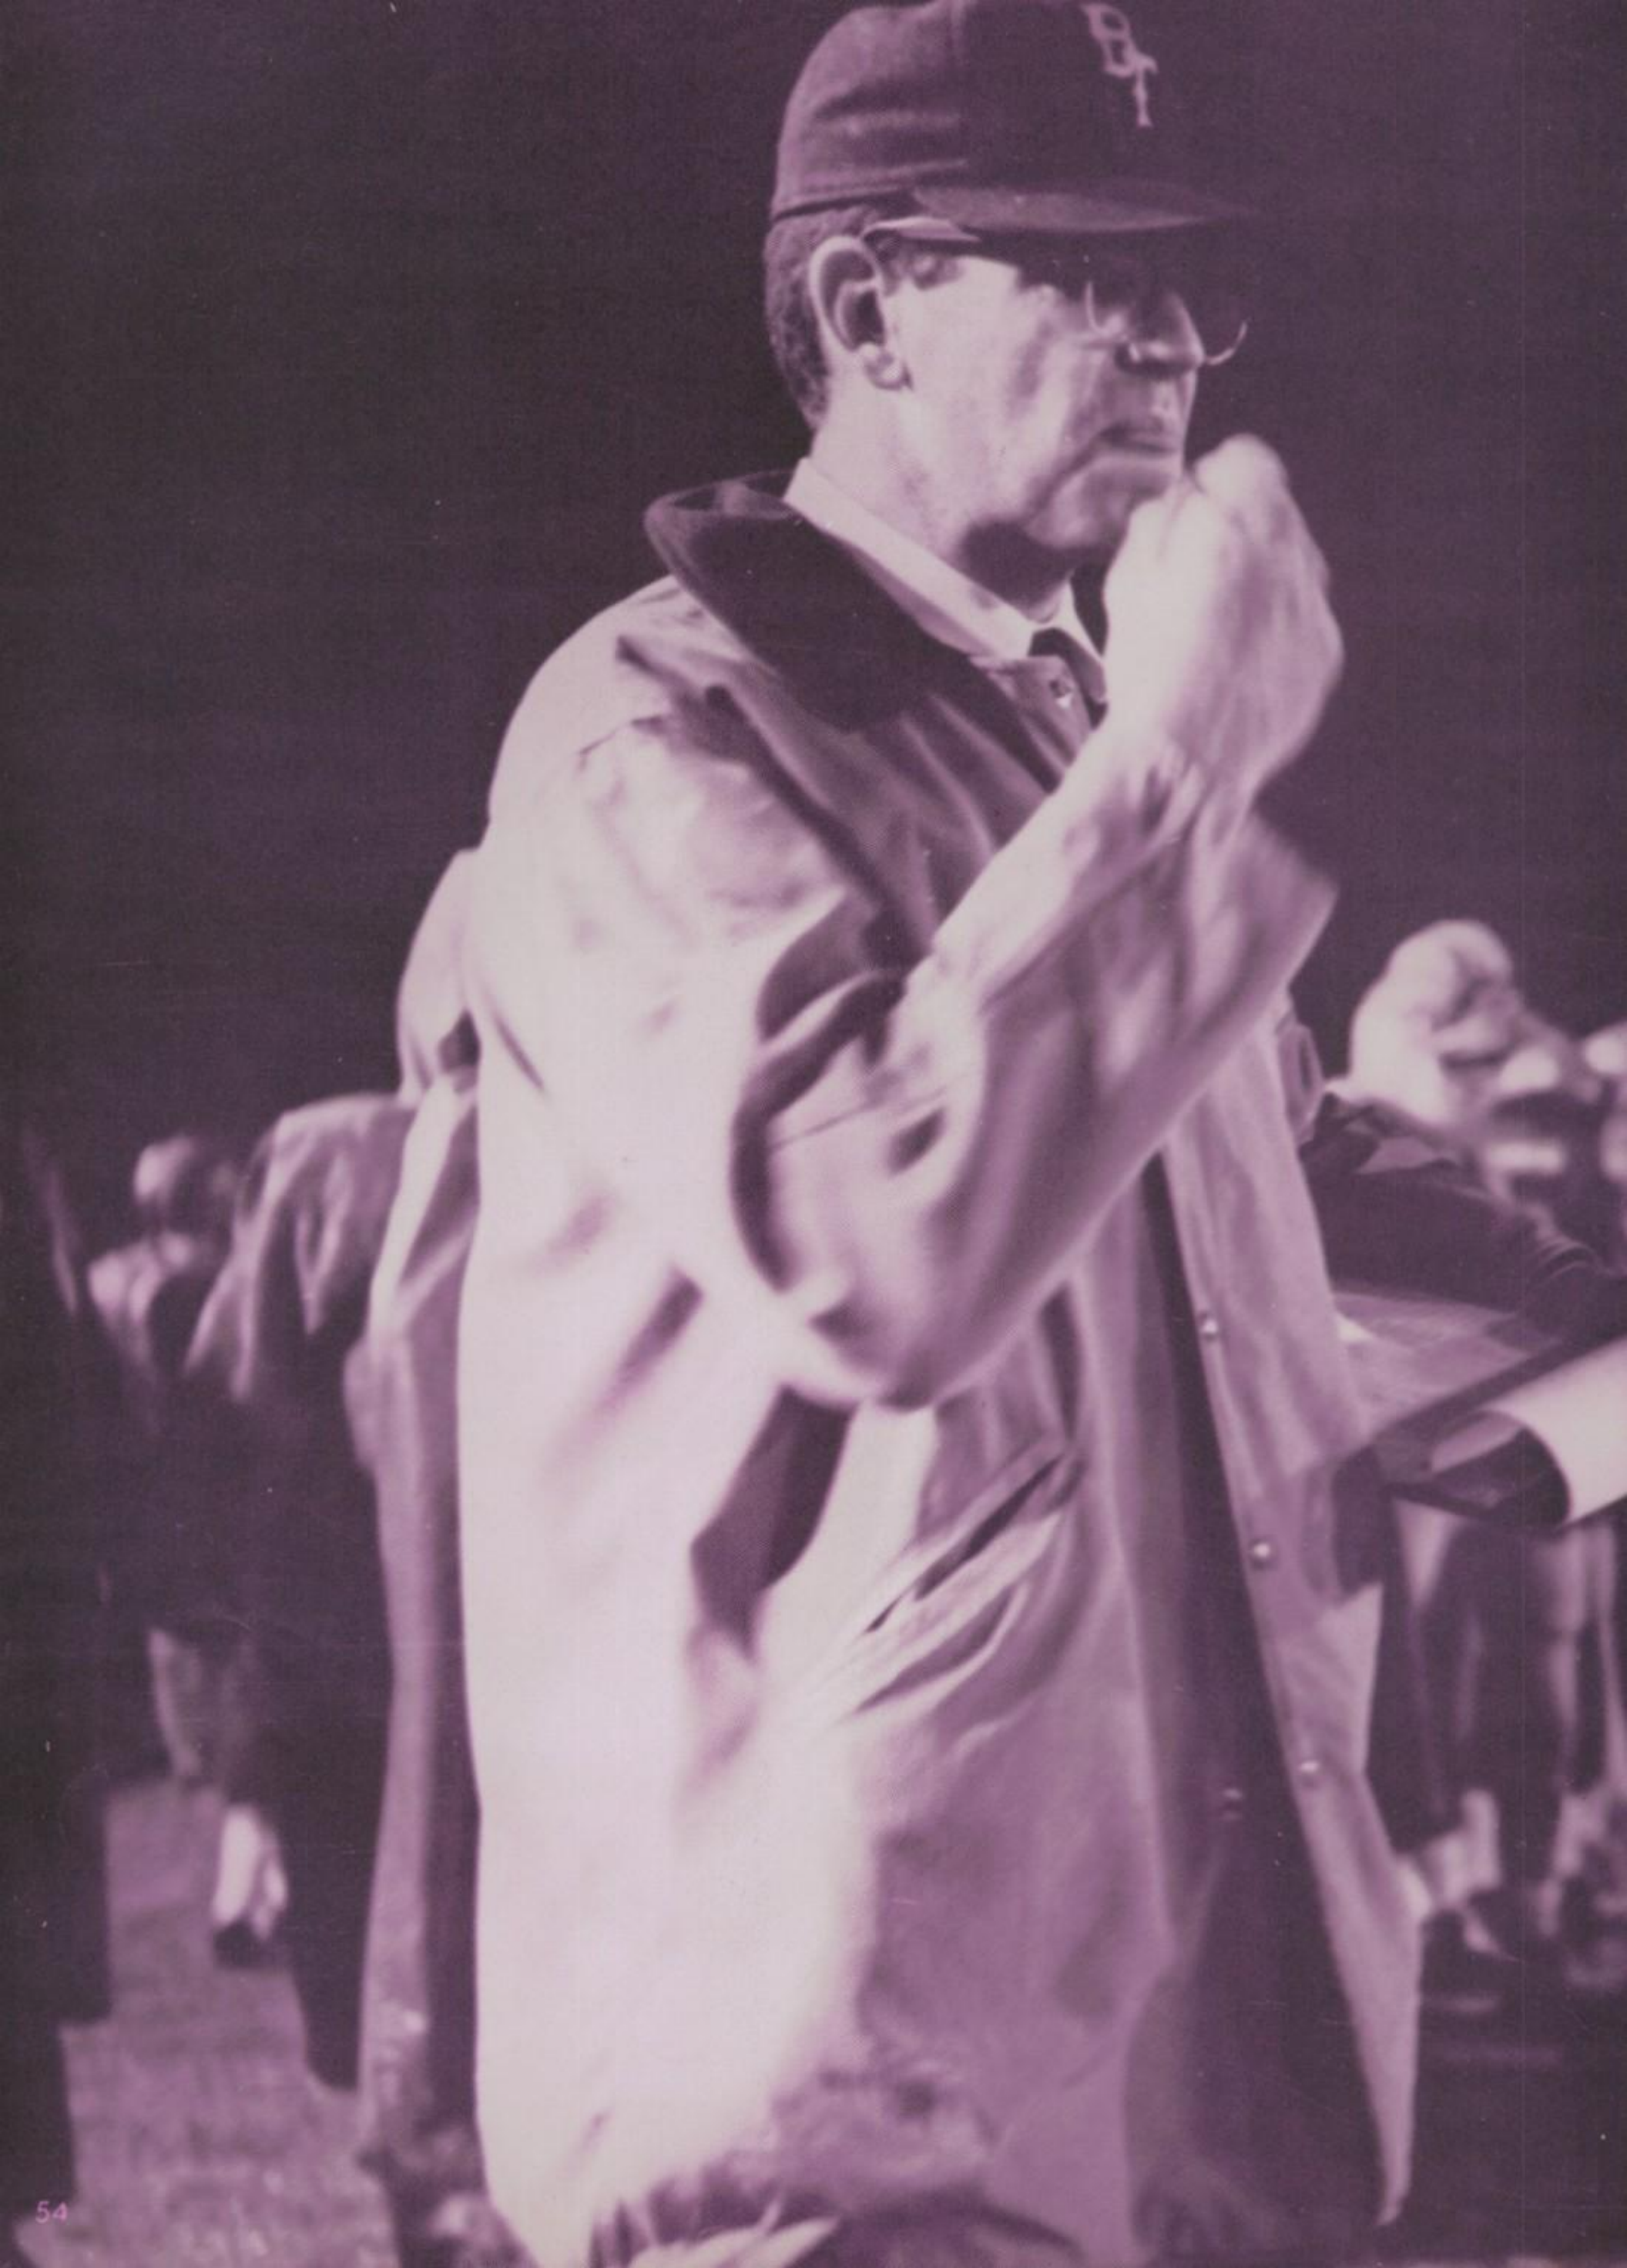
Dusseldorf Realschule in Lohe hosts Jack on two occasions.

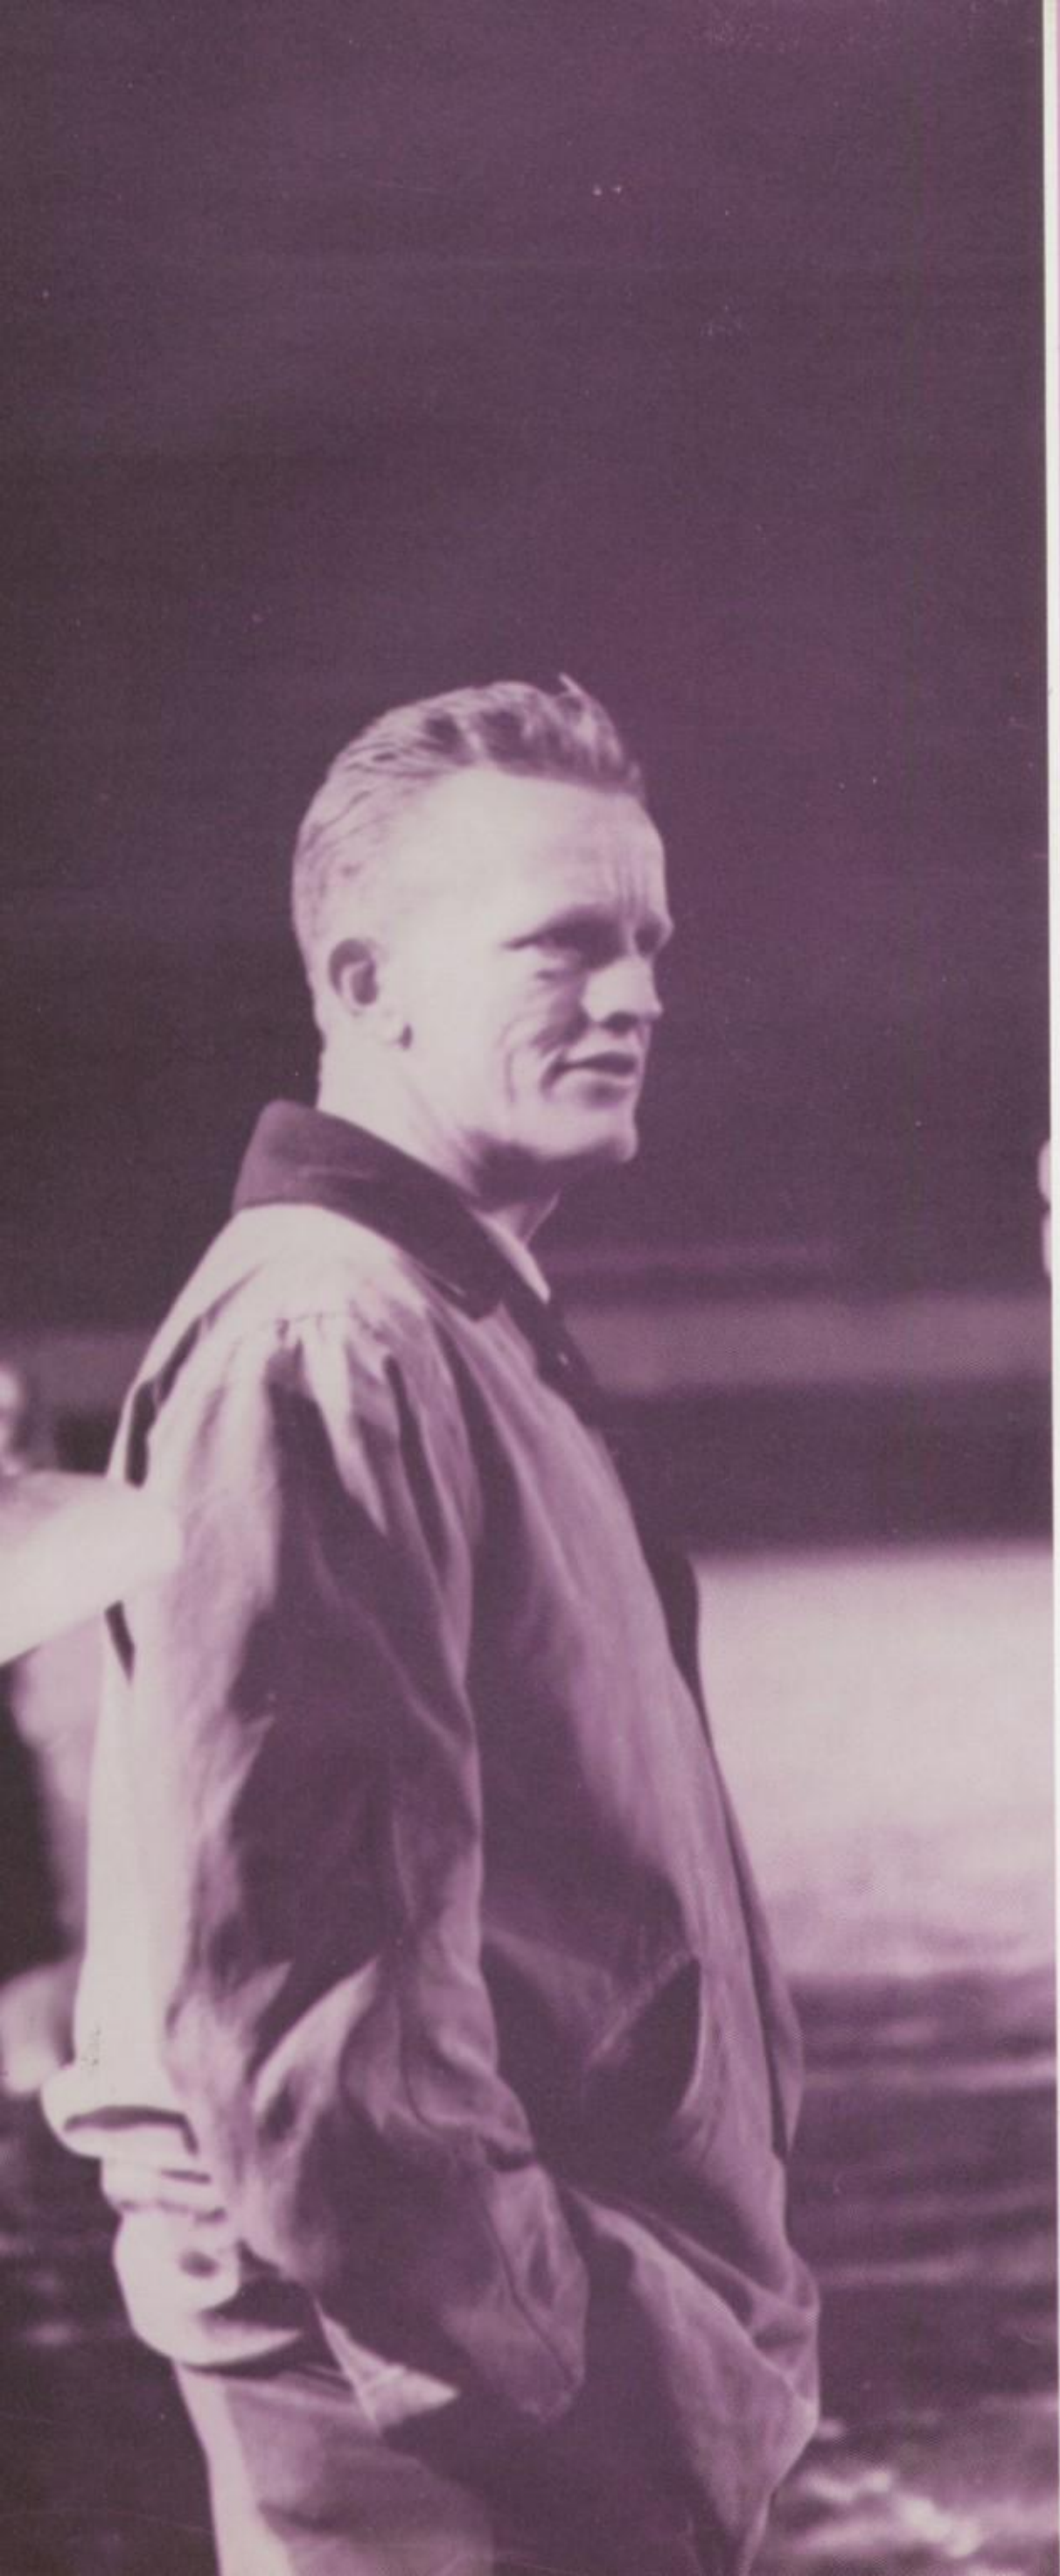
The Moshbachs live in a new community of homes in Cologne.

Jack Rhodes was W. F. West's exchange student to Germany under the American Field Service in the fall of 1962. His journey led him from Chehalis to New York by train and then across the Atlantic aboard the "M. V. Seven Seas." The eighty-one students who were to stay in Germany arrived in Rotterdam, Holland, on August 19. From there they traveled to language camps where they studied German and accustomed themselves to the European way of life. Jack spent two weeks at the camp in Bad Godesberg near Bonn.

On September 1, the students left the camp and journeyed to their respective German families. Jack stayed with the Wolfgang Mosbach family in Cologne, a city on the Rhine River. The Mosbachs had five sons and each day Jack went to school with Wolfgang, the oldest boy.

The trip was topped off with a gathering of the American students in Berlin on January 8. Jack deeply appreciated this opportunity of living in Germany.





# SPORTS

# FOOTBALL

The Bearcats in the annual September classic, the Shrine Game, lost a hard fought battle by a score of 0-7. In the first home game W. F. West gridders came back from being down under 0-13 at halftime to stride off the field victorious over Tumwater. 19-13. It was a different story the major part of the season. The Bearcats could not play a complete game in top form. The first half was usually well played and then a third quarter letdown would allow the opponent to gain which was too great to overcome. Although often being out-weighed, the Bearcats made up for this disadvantage in hustle and teamwork. In the Turkey Day Classic we suffered a second defeat to Centralia, 20-14.

# 1963 TRACK SQUAD

First Row: Graham, L. Johnson, Henricksen, White, Hansen, Powers, Rider. Second Row: Ames, Walker, Pehl, Benedict, Anderson, Riddle, Stottlemyre, Stedham. Third Row: Butkis, Chartrey, Hemenway, Forsyth, Katyryniuk, Batchelor, Riley. Fourth Row: De Mars, Gerberding, Brandt, Gage, Langus, Smith, Barnes. Fifth Row: Worley, F. Johnson, Parriott. Managers: Foote, Kindle.

With twelve returning lettermen the W. F. West thinclads had a rewarding year. Included in these twelve were four record holders, John Henricksen, Ron Hansen and Lynn Johnson hold the school record for the mile relay with a time of 3:45.3. Tom Katyryniuk holds the Central League record with a far-flung toss of the discus. With the loss of many mainstays of last year the team had to train hard and hustle for their glory.

# BEARCAT BALL PLAYERS

First Row: Geesman, Agren, Anderson, Fechtner, Tornow, Pemerl, Snellogrove. Second Row: Baginski, Hopkins, Donaldson, Babcock, Thummel, Cottet, Gallagher, Spahr. Third Row: Hewett, Cusic, Anliker, Smith, Hewlett, Gaskill, Schrader, Spady. Fourth Row: Bennett, Tucker, Granger, Fountain, Stewart, Kimball, Lehman, Cottet, Canfield, Wilson, Eaton.

With lots of desire and an eye on the Central League trophy, nine Bearcat baseball lettermen returned for a promising season. With pitching, hitting, and fielding, strong points in the Chehalis line-up, the Bearcats had little trouble in the win-loss department. The only troubling factor during the season was the weather. Many games were rained out during a rewarding season. Hard work paid off in polishing up this year's team. Many rainy nights were spent in the gym going over fundamentals and just plain working. The managing staff, Bob Layton, Jon Danielson, Kerry Borevec, and Bruce Keech, always had things ready to go.

"It's a good book,
it seems to me . . .
that's opened with
expectation and
closed with profit."

Louisa Mae Alcott

Sharon,
well we have
finally made it,
didn't we? I sure
wish you all the
success and happiness
in the world. You
you are a sweet kid
and don't ever change.
Good luck.

Sincerely, Staff
Jeanie
"63"

Sharon,
It has been
a nice year, lots of
luck.

Bonnie
Fitch

Sharon,
Roses are Red
Violets are Blue
Sugar is sweet
and so are you
are too.
Bonnie
Meadows

Sharon,
It has been
a blast going to
school with you.
We finally made it.
Good Luck Always,

Marty
"63"
(at last!)

Hi Sharon,

Boy, it sure has been lots of fun knowing you all through school. We sure had lots of fun last Friday night (May 21), didn't we? I hope we can do it again soon.

Remember our neat morning history class. At least we learned something. HA! I wish you all the luck in the world Sharon. Hope to see you after graduation.

Lots of Love

Joanie

Sharon, how
ya doin'? Hope
something, maybe
just one of these days
you and maybe I might get to see
you and maybe ever go out with
Rev. Ida, Ida.

Sure wish I was a senior
so I could graduate with ya. Oh well,
it's my turn and then we'll see
what's in store for us.
Best wishes to a real sweet
kid. Stay that way and you'll go
along ways in life.
Be good this summer and
take it easy on the boys.

Hi Sharon!

It's been a long hard struggle getting through school, but I guess it was worth it. After all, it wasn't all work! (My A. History grades prove that!) You know it just doesn't seem possible that we're about to graduate in seven days. In fact, I can remember when we were best friends in the fifth grade. It has happened to us. We sure did have a lot of good times together, didn't we; like the time we went to Deep Lake and rode in the back of your pick-up. I can remember how scared I was to get in the boat. I guess I'm just an old 'Land Lubber' at heart, but those were sure care-free days. To one of the nicest girls I know, I want to extend my sincerest best wish and the best of luck and good fortune in the future in whatever you may do. Say! I'd better shut up before I write a book. Keep up the warm smile and friendly personality and you'll go a long way.

A friend always,
Martha Alleander

Sharon
I want to wish you the best
of luck in everything you do
in future life. Victory was
really boring this year, wasn't
it. I hope to see you at SC.
next year. Good luck. Don Riddle
